

Hello Art at the Glen Artists,

We are excited to have you exhibit your art at the **Art at the Glen**, August 4-5, 2018!

Here's What You Need to Know

Green Ribbon Project

Get more exposure by sending us an image of the piece of art you will be designating for the Green Ribbon Project. This festival we are donating to Bright Pink. If you are participating and the piece you designate for the Green Ribbon Project sells, 10% of the sales from that piece of art will be donated to Bright Pink. [Click here to read more about Bright Pink.](#)

Are You Demonstrating On Site? Let us know so we can talk about it in our community outreach!

Bring A Water Bottle!

In our new initiative to be eco-friendly and reduce our carbon footprint, instead of plastic water bottles, we will have cold water available to refill your water bottle.

Storage

Back storage must be tidy and extend no more than 4' from the booth, where space is available.

Tent Weights

Every tent will need to have AT LEAST 40 pounds per tent leg and strong straps or rope to attach the weights to the tent. Weight inspections will occur before the festival opens and throughout the festival to keep everyone safe. Any artist that does not comply with these rules will be required to fix it before the festival opens. **No cinderblocks or water jugs allowed as weights.**

Corner and Double Space Requirements

An artist with a corner must either have the corner wall open or use the outside wall to display art. Double spaces must be occupied by two 10x10 tents OR one 10x20 tent.
