

FINE ART FESTIVAL OAK BROOK

LOAD IN AND PARKING MAP

Load-in times and booth numbers are available on our web site under "Artist Info".

Load-In Process:

- 1) Park between Lord & Taylor and Macy's in a regular parking space. Walk towards Zara. On the right of Zara, there are stairs leading downstairs to our check-in location.
- 2) We will tell you the best place to unload and dolly from. Go to that load-in area.
- 3) After you have unloaded everything to your festival space on Friday, park anywhere outside of the loading areas. If you are unloading on Saturday, proceed to Artist Parking. Do not set up anything before moving your car outside of the loading areas.
