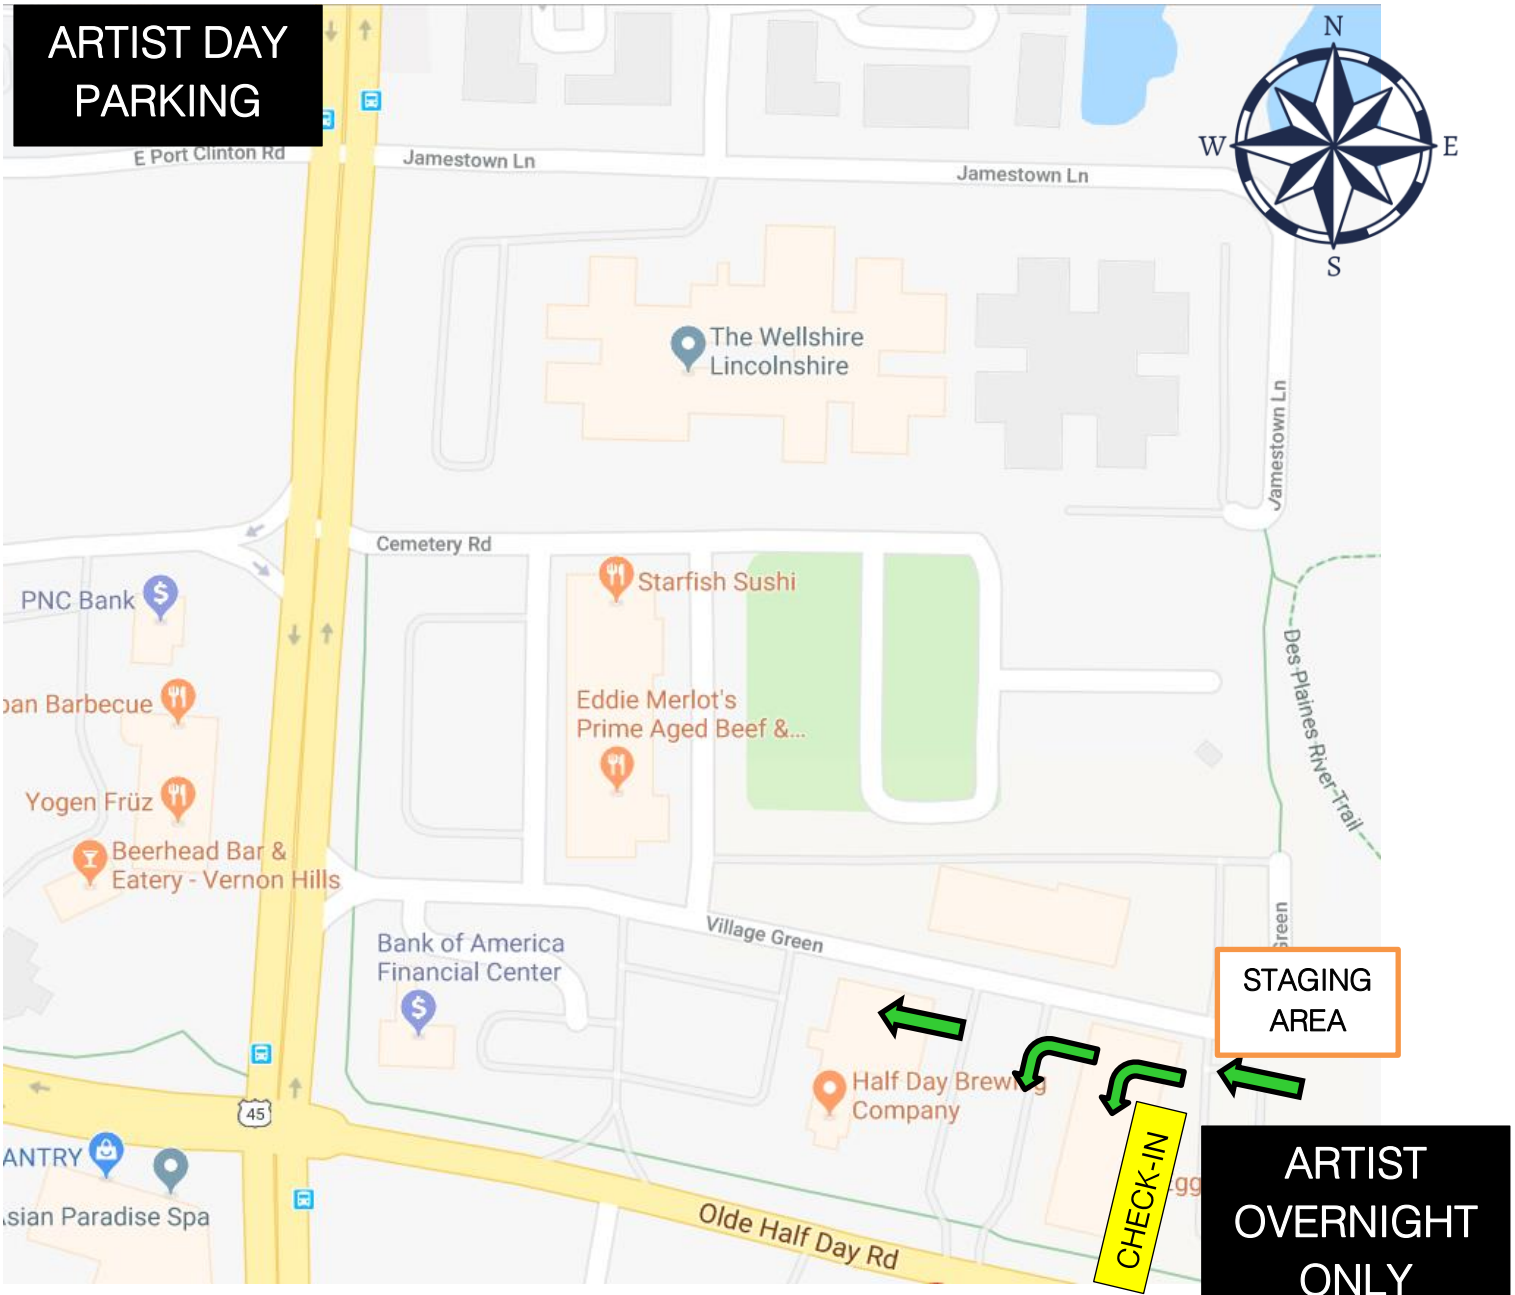
LINCOLNSHIRE ART FESTIVAL

LOAD-IN AND PARKING INFO



Load-in Times and booth numbers are available on our website under “Artist Info”.

<u>Load-In Process:</u>

1) Park your vehicle outside of the festival footprint in the “Staging Area” shown in the map above. We will not start load-in until all cars are clear of the festival.
2) Go to the Check-In Office to receive your show information packet.
3) Drive through the barricades and head WEST OR SOUTH only.
4) After you unload your things into your space, you may park outside of the festival footprint anywhere you’d like. Saturday and Sunday day and overnight parking is at the designated Artist Parking on the map. From the day parking lot, it’s either a 5 minute walk or you can take the shuttle we will be running.

There’s no overnight parking at College of Lake County. RV’s and trailers will have to park overnight outside of the festival and move to the College of Lake County during the festival hours
