

We have been working with the local municipality and related parties on transforming the art festivals into a smaller Art Walks that will feature 25-60 artists with a limited number guests at any given time.

The protocols for art walks include timed entry via Eventbrite, unidirectional travel, booths spaced out at least 6 feet, staff, artists and guests wearing face coverings, all artists providing hand sanitizer in their booths, artists allowing only one person, or one family/friend group in their booth at a time, no touching of art, limited trying on of wearables or jewelry, encourage cashless payments by credit card or cardless system, no flip bins (replaced by samples on the wall and artist giving the public a fresh piece from the back), an additional hour of the show daily from 9-10 am for people with health compromised and or mobility issues, and transfer locations/tables to avoid hand to hand contact with buyers.

Due to the small number of spaces available, we will not be able to launch the Emerging Artists Program this year.

Please Note These Changes: We set up starting Saturday morning before the show. There will be no paid assistance, no propanel rentals, and limited booth sitting available. There will also be no music, youth art activities or food/beverage booths.
