Every tent will need to have AT LEAST 50 pounds per tent leg and strong straps or rope to attach the weights to the tent. NO staking allowed. No cinder blocks or water jugs allowed as weights. Weight inspections will occur before the festival opens and throughout the festival to keep everyone safe. Any artist that does not comply with these rules will be required to fix it before the festival opens.

Corner and Double Space Requirements

An artist with a corner must either have the corner wall open or use the outside wall to display art. Double spaces must be occupied by two 10x10 tents OR one 10x20 tent.

Regular Garage Parking

There are a lot of close garages in the area. The closest is 240 E Illinois St, Chicago, IL 60611.

Oversize Parking

There is an oversized parking at 430 N Rush St, Chicago, IL 60611. This is the closest one that I know of. If you go onto Wabash and head south, there are some on the east side of the street.

RV Overnight Parking

This is the closest overnight parking for RV's that we know of.

If you need to park your trailer overnight, there are no options that we know of. Each parking lot has different rules and they change from year to year.
